Secretos *del* Barrio

THE SINGULAR®
SANTIAGO
Lastarria Hotel

Discover the historical and contemporary secrets of our culture and traditions at the heart of the city.

Almost 500 years ago, Pedro de Valdivia from the top of the Santa Lucía hill had a vision: Santiago.

Santiago was built by generations of our ancestors who created, adapted and persevered: Chileans who shaped a vibrant society, culture and city.

The Singular is committed to the sustainability of our heritage. Sustaining our art, architecture, cuisine, and neighborhoods. Sustaining a culture renowned for its poets, pioneers, and thinkers, and a national character defined by determination, ingenuity, and passion.

Through this route, we aim to unfold part of the history of our city and our Lastarria neighborhood.
