

## SUSTAINABILITY AT THE SINGULAR SANTIAGO

At The Singular Santiago, our commitment to sustainability is reflected in a series of concrete actions integrated into our daily operations. These initiatives aim to minimize our environmental impact while promoting responsible practices.

### 01. ENERGY EFFICIENCY

**Digital Thermostats:** Enable precise climate control throughout the hotel, ensuring optimal energy use.

**Double-Glazed Windows:** Every room is equipped with double-glazed windows to enhance thermal efficiency and reduce noise pollution.

**LED Lighting:** All hotel spaces are illuminated with energy-efficient LED lighting, known for its low consumption and long lifespan.

**Key Card Room Controls:** Room electricity automatically turns off five minutes after the guest removes their key card.

### 02. WATER MANAGEMENT

**Solar Panels:** Used to heat water for guest rooms, significantly reducing gas consumption.

**Automatic Irrigation System:** Efficiently manages water usage in the hotel's landscaped areas.

**Towel and Linen Program:** Guests can opt out of daily linen and towel changes, helping conserve water and reduce detergent use.

### 03. WASTE REDUCTION

**Refillable Glass Dispensers:** Replace single-use plastic containers for bathroom amenities.

**Reusable Laundry Bags:** Made from durable materials to minimize waste.

**Wooden Pencils:** Provided in guest rooms as a sustainable alternative to plastic pens.

**Glass and Cardboard Recycling:** Collected weekly for recycling.

**Office Paper Recycling:** All paper waste from offices is recycled and donated to Fundación San José as part of the "Bota por mi Vida" campaign, which promotes tree conservation and waste reduction.

**Donated Linens:** Retired bed linens are donated to Fundación Camino for reuse.

### 04. COLLABORATIVE AWARENESS

**Bike Rack:** Installed to encourage staff to commute by bicycle, fostering sustainable mobility.

**Biodegradable Toilet Paper:** Used in staff bathrooms to reduce environmental impact.

### 05. GUEST ENGAGEMENT

**Towel and Linen Program:** Guests are invited to actively participate in our sustainability efforts by choosing to reduce the frequency of linen and towel changes, conserving water and detergents.
